**DETAILED ACTION**

***Reasons for Allowance***

1. Claims 110-131 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

Regarding claims 110, 115, 120 and 125, the prior art of record fails to teach prompting a caller associated with the voicemail for a call back number, wherein the call back number is attached to the voicemail message for automatic call back initiated by the subscriber. The prior art of record teaches voicemail with callback features but not with automatic callback as recited in the limitation. New search updates revealed no other prior art which teaches the limitation in the context of the claims. Therefore, claims 110-131 are indicated allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
